(owi guidelines 01/2006)

NOTE: If minor (under 16) passenger, all fines, jail and revocations are doubled.

Fines & Forfeitures may be reduced in cases of inability to pay with reduction in amount applied to surcharge/plan costs.

Alcohol Use Surcharge & Driver Safety Plan are required in all cases. Plan may include victim awareness component.

Restitution may be ordered by the Court.

Community Service MUST be ordered by the Court to reduce the fine or forfeiture if offender cannot pay fine. Court to determine amount of reduction in fine for each hour of community service work performed.
§346.65(2g)(ag), Stats

Site Visits to Emergency Room or Alcohol Treatment Facility may be ordered.

Points are assigned by the DMV in all cases (6).

Two or more OWI's in 5 year period, immobilization or interlock for all vehicles titled or registered (Eff 9/30/01).

Third & Fourth offenses are FELONIES if there is a minor (under 16) passenger at time of offense.

Huber privileges are NOT available unless the offender complies with Alcohol Surcharge and Driver Safety Plan. (Exception for offender who cannot comply because of insufficient funds to obtain surcharge)
§303.065(2m), Stats.

Effective 01/01/01, offenses committed before 01/01/89 are not counted for penalty purposes. For an offense occurring more than ten (10) years ago, but after 1988, a second offense is charged as a first offense, however, the offense remains on the record and a third offense is charged as a third offense. (Exception: Prior offenses for Homicide by Intoxicated Use of a Motor Vehicle, §940.09(1), Stats., and Causing Great Bodily Harm by Intoxicated Use of a Motor Vehicle §940.25, Stats., will be included without restriction as to the date of the offense.)

The guidelines which follow suggest what may be appropriate penalties in situations which are either aggravated and not aggravated. The presence or absence of mitigating or aggravating circumstances in each case will dictate into which of the two matrixes the case more readily fit.

If the mitigating factors dominate, then the "Not Aggravated" matrix would seem appropriate, with the degree of mitigation dictating the choice of what penalties, within the confines of the appropriate grid, ought to be imposed. If the aggravating factors dominate, then that matrix would seem appropriate, with the degree of aggravation dictating what penalties, within the confines of the appropriate grid, should be employed.

Some examples of mitigating factors are:

- No evidence of unsafe driving other than intoxication
- No accident
- No or minimal prior offence record in Wisconsin and elsewhere
- Cooperation with arresting officers
- No injury to others
- No minor passengers
- Extrajudicial penalties (loss of job, etc.)
- Responsible efforts to deal with problem
- Low income (as to financial aspects of penalty only)

Some examples of aggravating factors are:

- Driving after revocation
- Accident
- Unsafe driving beyond mere intoxication
- Injury to others
- Prior uncounted offences for OWI
- lengthy prior driving record for other types of offences
- Time and location of driving
- Interval since last offence
- Failure to comply with surcharge ordered in the past
- Lack of insurance coverage

*OCCUPATIONAL LICENSES***1. Waiting Period**

1st offenders who have taken the test are eligible for an immediate occupational license.

All others are ineligible until the expiration of the following waiting periods:

If total OWI convictions and refusals (including the present) in the preceding five years is 2 or more, waiting period for occupational is one year.

Fourth and Fifth Offenders are by definition Habitual Traffic Offenders and will be so determined upon report of their convictions to the department. They will then be eligible for an occupational license only after a two year waiting period and then only under the circumstances and procedures set forth in §351.07, Stats.

2. Surcharge & Plan

After 2nd or subsequent OWI or OWI-related offense, applicant must have completed the current surcharge and be complying with the driver safety plan.

3. Absolute Sobriety

An absolute sobriety (0.0%) requirement is imposed on all operation by users who have two or more OWI or OWI-related offenses

4. Ignition Interlock

If applicant has two (2) or more OWI or OWI-related offenses, court shall restrict operation under the occupational license to vehicles that are equipped with a functioning ignition interlock device if applicants vehicles were ordered to have the ignition interlock placed on them under §346.65(6)(a). See 343.10(5)(a)3., Stats.
