- The total length of my bifurcated sentence on this count is _____ years, _____ months.
- My initial term of confinement on this count is _____ years, _____ months.
- My initial term of extended supervision on this count is _____ years, _____ months.

3. I have served the applicable percentage of my sentence on this count.

4. The following are the ground(s) for filing this petition (check all that apply):

- My conduct, efforts at and progress in rehabilitation, or participation and progress in education, treatment, or other correctional programs since being sentenced supports my request (see attached copy(ies) of my prison program certifications(s)).
- A change in law or procedure related to sentencing or revocation of extended supervision effective after I was sentenced would have resulted in a shorter term of confinement in prison or, if I was returned to prison upon revocation of extended supervision, a shorter period of confinement in prison upon revocation, if the change had been applicable when I was sentenced (see attached change in law or procedure).
- I am subject to a sentence of confinement in another state, or I am in the United States illegally and may be deported (see attached documentation).
- Sentence adjustment is in the interest of justice (see attached explanation).
